LaFuma Lounge Chair

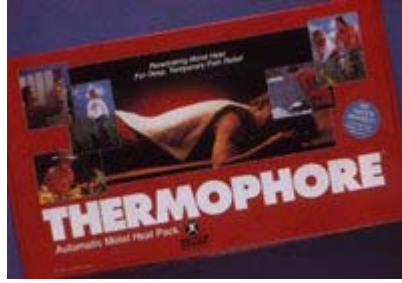

Have a seat and make yourself comfortable, that's what Lafuma Deluxe RSX recliner invites you to do! With Lafuma recliners, comfort is only the beginning. The RSX recliners feature progressive adjustment from a sitting to a reclining position and may be locked into any position with the convenient ergonomic lever lock system. The print fabrics are colorfast, 100% cotton canvas and the solid color fabrics are 100% "Airlon" canvas. Both will keep their appearance and provide years of comfort. The armrests are padded and contoured to fit the shape of your arm, and adjust to every move of the seat. They also feature adjustable and removable headrests and fold compactly for storage. Colors available: Mixed, Navy Blue (not shown), and Forest Green (not shown) For an order form, please click one of the links below.

Magnum Magnetic Therapy Products

Magnetic therapy has been practiced by many cultures for thousands of years. The practice of relieving pain with magnetic therapy was introduced in Ancient Chinese medicine. Magnetic therapy is based on the biological effects of magnetic fields applied, considering polarity, intensity, and frequency; there can be alleviation of pain and thus a general feeling of well being. Treat Your Feet is an authorized dealer of Magnum Magnetic products, which range from bracelets to back belts. Send us an email or give us a call and let us pick out your perfect magnetic solution!

Thermophore Moist Heat Packs

The application of moist heat is a commonly prescribed therapy in medical practice today, the Thermophore hot pack is the method physicians recommend most often. Moist heat increases circulation and speeds recovery by bringing in fresh blood cells and taking away the wastes, which may hinder healing. These beneficial results continue for several hours after treatment. If you are interested in one of these heat pads, send me an email or give me a call and we can discuss which size would work for you!
